The Zero COVID policy in China and the resultant COVID related shutdown there have resulted in a sharp contraction of demand for PVC resin in that country. On account of this, there is a spike in exports of PVC resin from China, leading to a steep fall in finished products prices in India as well as feedstock prices. In line with generally accepted accounting principles, the Group has written down the carrying value of stocks of major intermediates and finished products, to levels corresponding to the net realisable value of finished products, leading to an exceptional charge in consolidated and standalone financials of Rs 80.50 Crores and Rs 49.80 Crores respectively.

 The consolidated and standalone financial constitution of the consolidated and standalone financials.
- The consolidated and standalone financial results for the quarter ended June 30, 2021 have not been reviewed by the Statutory auditor of the Company. However, the management has taken necessary care and diligence to ensure that the financial results are fairly stated.
 - Other Equity as per consolidated and standalone financials (excluding revaluation reserve) as at March 31, 2022 was Rs.26.70 Crores and Rs. 2580.25 Crores respectively.
