

Shri Jagdamba Polymers Limited

37th ANNUAL REPORT
2020-2021

Technical Textile Solutions

OUR Growth Story.....

Shri Jagdamba Polymers Limited was established in the year 1985 as a very tiny unit for manufacture of various plastic products viz HDPE/PP Fabrics & Woven Bags in the undeveloped and rural area of Ahmedabad, Dholka by Shri Ramakant Bhojnarwala.

At the time of establishment of the unit in such a remote and undeveloped area, we had to face many challenges and with difficulty and pains the unit was made operational. The commercial production of the company was started in February 10, 1987 with one Tap Extrusion Plant, 10 Looms and 50 Workers. No infrastructural facilities like skilled workers, communication, transport etc. were available in the village when the unit was established and with most unfavorable conditions we could start the unit with a meagre production of 50 MTs per month.

At the time of start-up, since there was no skilled workers available in the area, Shri Ramakant Bhojnarwala and their family members had trained many of the supervisors how to operate the machines and managed the production of the unit. During the initial time i.e. between the years 1987 to 1990 due to the operational difficulties as well as market situation we were not able to show good numbers, but with the Dedication and Vision of Shri Ramakant Bhojnarwala and his team this could make happen.

By the passage of time since then, over the years, the company never looked back and has grown manifold and now the company has 3 different manufacturing units, each one unit having installed machineries with the latest technology. Today the company employs 1700 workers and staff and its yearly production is approximately 17500 MTs of finished products.

The major portion of its production is being exported to various countries and only very limited portion part is sold in the indigenous market. Over the years the company has earned and established a very good reputation and presence in the Global market which helped the company to secure more and more export orders.

Presently we are generating a revenue of Rs. 24674.37 lakhs and is expected to maintain the same trend and even enhance our profit margins, along with good numbers. We are also focusing on enhancing the Standard of Living & Economical Development of general public. Towards this direction we have spent Rs. 59.95 lakhs as CSR Expenses to face the challenging time of COVID out of which Rs. 56 lakhs was spent towards improving the overall health of general public and the remaining amount of Rs. 3.95 lakh was spent on education front. In addition to the CSR expenses, an amount of Rs. 51.15 lakhs was spent by the company for helping its own staff and workers during the pandemic COVID time.

Faith of the stakeholders of the company and combined efforts of the Workers, Supervisor, Staff and Management Team is the Secret of our Growth.

**NOTES:**

As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the Companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Without the physical presence of the Members at a common venue. Accordingly, in compliance with the provisions of the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Circulars issued by the Regulators, the AGM of the Company is being held through VC/OAVM. Hence, Members can attend and participate in the ensuing AGM through VC/OAVM. The deemed venue for the AGM shall be the Registered Office of the Company.

The Register of Members and Share Transfer Books of the Company shall remain closed from Saturday, the September 18, 2021 to Thursday, the September 28, 2021 (both days inclusive).

1. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
2. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
3. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
4. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/ has been uploaded on the website of the Company at www.shrijagdamba.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
5. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
6. In continuation of this Ministry's General Circular No. 20/2020, dated May 05, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January, 13, 2021.
7. Members as on the cut-off date of September 17, 2021 shall only be entitled for availing the remote E-voting facility and E-voting facility during the AGM. A person who is not a Member on the cut-off date should accordingly treat this Notice for information purposes only and attend the AGM through VC/OAVM and shall not be entitled to any voting rights.
8. Since the AGM is held through VC/OAVM, where physical attendance of members in any case has been dispensed with, there is no requirement of appointment of proxies. Accordingly, the facility of appointment of proxies by members will not be available for this meeting and hence requirement of attaching the Proxy Form and Attendance Slip has been dispensed herewith and not annexed to this Notice.

9. Corporate Members intending to send their authorized representative(s) to attend the meeting pursuant to Section 113 of the Companies Act, 2013 are requested to send to the Company, a Certified True Copy of the relevant Board Resolution together with their respective specimen signatures authorizing their representative(s) to attend and vote on their behalf to the scrutinizer by email to csgaurang7@gmail.com. The authorized representative(s) shall enjoy all the rights of a Member for the purpose of voting through remote e-voting or for participation and voting in the meeting held through VC /OAVM.
10. A person can be an authorized representative of more than one Body Corporate. In such a case, he is treated as more than one Member present in person for the purpose of the quorum.
11. In Compliance with MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 and SEBI Circular dated May 12, 2020, Members may kindly note that sending of Physical Copies of Annual Report to Members have been dispensed with and is being sent through electronic mode to those members whose e-mail addresses are registered with the Company or Depositories. Members may also note that the Notice of the 37th AGM and the Annual Report will be available on the Company's website www.shrijagdamba.com and can also be accessed from the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com and disseminated on the website of CDSL at www.evotingindia.com.
12. Pursuant to the MCA Circulars and SEBI Circular, in view of the prevailing situation, owing to the difficulties involved in dispatching of physical copies of the Notice of the 37th AGM and the Annual Report for the year ended March 31, 2021 including therein the Audited Financial Statements for the Financial Year 2020- 21, are being sent only by email to the Members. Therefore, those Members, whose email address is not registered with the Company or with their respective Depository Participant/s, and who wish to receive the Notice of the 37th AGM and the Annual Report for the Financial Year 2020-21 and all other communication sent by the Company, from time to time, can get their email address registered by following the steps as given below:-
 - a. For Members holding shares in physical form, please send scan copy of a signed request letter mentioning your Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) by email to Company email id admin@jagdambapolymers.com.
 - b. For the Members holding shares in demat form, please update your email address through your respective Depository Participants.
13. In case of joint holder attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
14. Members holding shares in dematerialised mode are requested to intimate all changes pertaining to their bank details, NECS, mandates, nominations, power of attorney, change of address/name, PAN details, etc. to their Depository Participant only and not to the Company's Registrars and Transfer Agents. Changes intimated to the Depository Participant will then be automatically reflected in the records of the Registrars and Transfer Agents which will help the Company and its Registrars and Transfer Agents to provide efficient and better service to the Members.
15. In accordance with the amendments to Regulation 40 of the Listing Regulations, Securities and Exchange Board of India (SEBI), decided that requests for effecting transfer of listed securities shall not be processed unless the securities are held in dematerialized form with a Depository (National Securities Depository Limited or Central Depository Services (India) Limited). Members holding shares in Physical Form are requested to consider converting their holding to dematerialized Form in order to eliminate all risks associated with physical shares. Members can contact the Registrar and Share Transfer Agent (RTA) in this regard. Members holding shares in electronic form are requested to intimate immediately any change in their address or bank mandates their Depository Participants with whom they are maintaining their Demat accounts.

16. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat accounts. Members holding shares in Physical Form can submit their PAN details to the Company.
17. Additional Information required to be furnished under Regulation 36 (3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 and Secretarial Standards-2 with respect of the Director(s)/ Manager seeking appointment/re-appointment at the AGM has been furnished and forms a part of the notice. The director(s)/manager has furnished the requisite consents/declarations for their appointment/re-appointment.
18. Since the AGM is held through VC/OAVM, the Route Map is not annexed in this Notice.
19. The facility of participation at the AGM through VC/OAVM will be made available to maximum 1000 members on first come first served basis. This will not include large Members (Members holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairperson of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
20. M/s. G. R Shah & Associates, Company Secretary, Ahmedabad has been appointed as the Scrutinizer to scrutinize the remote e-Voting process and casting vote through the e-Voting system during the meeting in a fair and transparent manner.
21. During the 37th AGM, the Chairman shall, after response to the questions raised by the Members in advance or as a speaker at the 37th AGM, formally propose to the Members participating through VC/OAVM Facility to vote on the resolutions as set out in the Notice of the 37th AGM and announce the start of the casting of vote through the e-Voting system. After the Members participating through VC/OAVM Facility, eligible and interested to cast votes, have cast the votes, the e-Voting will be closed with the formal announcement of closure of the 37th AGM.
22. The Scrutinizer shall after the conclusion of e-Voting at the 37th AGM, first download the votes cast at the AGM and thereafter unblock the votes cast through remote e-Voting and shall make a consolidated scrutinizer's report of the total votes cast in favour or against, invalid votes, if any, and whether the resolution has been carried or not, and such Report shall then be sent to the Chairman or a person authorized by him, within 48 (forty eight) hours from the conclusion of the 37th AGM, who shall then countersign and declare the result of the voting forthwith.
23. The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company at www.shrijagdamba.com and on the website of CDSL at www.evotingindia.com immediately after the declaration of Results by the Chairman or a person authorized by him. The results shall also be immediately forwarded to the BSE Limited, Mumbai.
24. The dividend on equity shares, if declared at the AGM, will be paid to those shareholders holding shares and whose names appear on the Register of Members of the Company on September 18, 2021. In respect of shares held in electronic form, the dividend will be payable to those who are the beneficial owners of shares as per details furnished by National Securities Depository Ltd. (NSDL) and Central Depository Services (India) Ltd. (CDSL). Dividend Warrants/ Demand Drafts will be dispatched to the registered address of the shareholders who have not updated their bank account details.
 - a. Members holding shares in electronic form may note that their bank details as may be furnished to the Company by respective Depositories will only be considered for remittance of dividend through NECS/ECS or through Dividend Warrants. Beneficial Owners holding Shares in demat form are requested to get in touch with their Depository Participants (DP) to update / correct their NECS/ ECS details - Bank Code (9 digits) and Bank Account No. (11 to 16 digits) to avoid any rejections and also to give instructions regarding change of address, if any, to their DPs. It is requested to attach a photocopy of a cancelled cheque with your instructions to your DP.

- b. The Company has appointed **SKYLINE FINANCIAL SERVICES PRIVATE LIMITED** as Registrar and Share Transfer Agent (R&T Agent). Members are requested to send all future correspondence to the **SKYLINE FINANCIAL SERVICES PRIVATE LIMITED** at D-153A, 1st Floor, Okhla Industrial Area, Phase -I, New Delhi - 110020. Members holding shares in physical mode are requested to notify immediately any change in their addresses, the Bank mandate or Bank details along with photocopy of the cancelled cheque or bank passbook/statement attested by the bank to the R&T Agent of the Company.
- c. Shareholders of the Company holding shares in physical mode are requested to register their E-mail address with Registrar and Share Transfer Agent (RTA) of the Company. At Pursuant to the Finance Act, 2020, dividend income is taxable in the hands of shareholders w.e.f. 1st April, 2020 and Company is required to deduct tax at source on payment of dividend at the prescribe dates. The Shareholders are requested to refer the Finance Act, 2020 and amendments thereof for prescribed rates for various categories of shareholders. Shareholders may submit their forms for non-deduction of tax at source (TDS) viz. 15G/15H/10F and other relevant documents with RTA of the Company at www.skylinerta.com or Shareholders may send such documents through E-mail at admin@skylinerta.com latest by September 15, 2021. Pursuant to the provisions of Section 72 of the Companies Act, 2013, Shareholders are entitled to make nomination in respect of the shares held by them in physical form. Shareholders desirous of making nominations are requested to send their requests in Form SH-13.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on September 25, 2021 at 09:00 am and ends on September 27, 2021 at 05:00 pm During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) *In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.*

(v) Login method for e-Voting and joining virtual meeting for **shareholders other than individual shareholders holding in Demat form & physical shareholders.**

- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
- 2) Click on “Shareholders” module.
- 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- 6) If you are a first-time user follow the steps given below:

For Shareholders holding shares in Demat Form other than individual and Physical Form	
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) <ul style="list-style-type: none"> • Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. <ul style="list-style-type: none"> • If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).

- (vi) After entering these details appropriately, click on “SUBMIT” tab.
- (vii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (viii) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (ix) Click on the EVSN for the relevant Shri Jagdamba Polymers Limited on which you choose to vote.
- (x) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xi) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire resolution details.
- (xii) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xiii) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xiv) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (xv) If a Demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvi) **Facility for Non - Individual Shareholders and Custodians -Remote Voting**
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the “Corporates” module.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.

MANAGEMENT DISCUSSION AND ANALYSIS

GLOBAL ECONOMY:

Onset of COVID-19 pandemic in the year 2020 and subsequent lockdown imposed across the world to contain spread of virus led to unprecedented situations worldwide with domestic and global trade coming to a standstill. Lockdown and border closures across key global markets paralyzed economic activities including business operations all over the world. This pause in the global economic activity caused significant contraction of economies in the first half of 2020. Global trade was impacted by a significant margin in the first half of the year. With the easing of lockdown starting from June 2020 the world economy rebounded but still, as per IMF estimates, global economy contracted by 3.5% in 2020. When towards the end of 2020 it looked that world economy is bouncing back the second wave of pandemic embedded with new mutated variants emerged and have slowed down the speed of economic recovery.

The global economy, as per IMF is projected to grow at 6% in 2021 reflecting additional fiscal support in a few large economies and expectations of vaccine powered recovery of economic activity.

INDIAN ECONOMY:

The outbreak of the COVID-19 pandemic in March 2020 along with the national lockdown in India disrupted economic activities including demand and supply chain resulting in a significant slowdown of the Indian economy. This led to a contraction of 23.9% during the first quarter of 2020-21. With the staggered unlocking measures from May/ June 2020 onwards some normalcy started getting restored. The manufacturing sector witnessed a fast recovery from second quarter of 2020-21 coupled with a revival of consumer demands during the festive season. Widespread monsoon with healthy crops and increased rural demand also helped recovery of the Indian economy in the second half of last financial year. The service sector was more vulnerable than manufacturing. Indian economy as per the second advance estimates is estimated to have contracted at (8%) during 2020-21 compared to a growth of 4% in 2019-20.

A sharp surge in the cases during the second wave of Covid-19 since the second week of April 2021 had lead to many state governments announcing strict lockdowns / restrictions on movement etc. and this is affecting the economic activity especially of Micro, Small and Medium Enterprises. Economic impact of the second wave could intensify in the next few weeks due to lower mobility. The overall impact of the second wave on the economy is difficult to assess presently, but it is likely to negatively affect GDP growth in the first quarter.

With emergence of strong second wave of Covid-19 pandemic, the Indian economy is now projected to grow at about 10% during financial year 2021-2022.

COVID-19 PANDEMIC & Shri Jagdamba Polymers Limited:

With the announcement of national lockdown, Company shut down its manufacturing lines at his all plants. After obtaining necessary approvals from the competent authorities, Company resumed operations initially and ramped up to full production. Company also reached out to the local villages surrounding our plants to provide ration, sanitization material and medical help during the lockdown period.

EMPLOYEE DURING COVID 19 PANDEMIC:

The Company took all necessary steps for safety of plants and its employees including usage of mask, keeping distances and timely sanitizing all the premises during the period of pandemic.

Company during the period of lockdown, operated its plants with limited manpower as per the stipulations laid by the authorities. The company has provided the medicines, food grains and share the information for protecting themselves and their family from COVID 19. In line of the Government Campaign “दवाईभीऔरकड़ाईभी” the company has provide the Kadha to each employee at work place containing the ingredients as per guideline issue by the Ministry of AYUSH. The company has distributed the Nebulizer to each employee. Company have executed a Medical check-up of each employee in every 15 days and regularly monitoring their Temperature, Pulse and Oxygen level for ensuring health of Employees. The company also provided the Bus / Transportation facility with 50% capacity to avoid the infection and brake the chain of the COVID 19 Virus, in addition to that the company has not only paid full wages on time, the annual increment was given in line with the previous years increment to tide the employees through the difficult time of pandemic.

STRUCTURE OF THE INDUSTRY AND DEVELOPMENTS AFFECTING THE INDUSTRY:

The global technical textile market is growing at a compound annual growth rate (CAGR) of 4.5% from 2020 to 2027. Rising awareness regarding the benefits of technical textile is projected to propel its demand across various end-use industries including agriculture, construction, aerospace, medical, and packaging. Advancements in biotechnology have led to a rapid change and evolution in traditional farming methods to a more scientific approach. The implementation and employment of highly-efficient technologies in the agricultural industry are expected to increase crop yield, thereby influencing the overall productivity and the demand for technical textiles.

Global Technical Textile Industry has witnessed remarkable growth in the past few years and demand for technical textiles is expected to stay steady, due to a broadening application in end–use industries. This trend is estimated to have a positive impact on the demand for technical textiles. Technical textile offers immense potential and has been termed as a sunrise industry in India. With sufficient investments into the technology, the industry would grow exponentially, to foster research & development in the sector the government has also set up eight Centre for Excellence units. The sector has undergone significant industrial changes with the increasing significance of new applications in medical, automobile, sport and leisure, environment and industrial sectors. Automobile and medical sectors are the fastest growing sectors, continuously expanding and mounting the demand for technical textiles. These industries have been improving their existing market share and creating innovative products through new developments, which in turn enabling the technical textiles market growth.

Currently, India’s technical textile industry is based on producing commodity products that are not very R&D intensive and therefore unlike conventional textiles, technical textiles is an import intensive industry. The Indian government, in a response to capture this market, has pushed to shift the focus from the production of conventional textiles to technical textiles. It has developed a number of policies that are aimed to promote the development of the domestic technical textile sector. These programs have been vital to the rapid growth of the domestic technical textile industry, including:

Reduction in customs duties placed on imported technical textile machinery Investment promotion programs to assist companies that are developing and manufacturing technical textiles Market development support for both the domestic and international markets An exemption in custom duties for raw materials used in the manufacturing of technical textiles Strengthening of standards for technical textiles Introduction of a program to promote the use of agro-textiles in the northeast region of India The introduction of the restructured technology upgrade fund

India's shift to focus on the development and production of technical textiles cannot be done with just monetary and tax incentives alone. In order to successfully compete globally in technical textiles, there needs to be investment from the private sector. Entrepreneurs are reluctant to invest in the development and production of technical textiles due to factors such as:

Marketing: The marketing of technical textiles is more complex than conventional textiles.

Cost: Manufacturing technical textiles demands specific raw materials, machinery and equipment that are not readily available in India. Importing those materials is expensive.

Time: The technical textile sector is still in its infancy, and it takes a lot of time to commit to the research, development and production of a product. It could take a minimum of five years before entrepreneurs could see a return on their investment.

The market for the global technical textiles industry has seen an upward surge since 2000. The Asia-Pacific region accounted for around 33.13% of the total market share in terms of value in 2014, followed by the North American and European regions at 29.13% and 24.02 %, respectively.

REVIEW OF OPERATIONS & OUTLOOK:

During the year under review Company earned a net profit of Rs. 4079.96 Lakhs as against Rs. 2670.44 Lakhs in the previous year. Improved demand for Company's products coupled with healthy delta between raw material prices and finished products helped achieving this number. Increased global demand due to sustained growth in infrastructure and agriculture has established the Company as a strong player in this space. Business is expected to grow by 20% to 25% in the year 2021- 22.

OPPORTUNITIES AND THREATS:

Opportunities:

The wide range of applications of technical textiles, lack of competition, and growing consumer and industrial demands makes the sector of Technical Textile a big opportunity area. The 'Make in India' efforts by Prime Minister Shri Narendra Modi is going to be a big success and a real growth driver for the Indian manufacturing sector. The textiles industry would be one of the front-runners and core segments of the Indian manufacturing industry contributing 14 percent of total industrial output and employing about 45 million people directly. The textiles industry has huge contribution in terms of export earnings, industrial output and employment generation and it's considered to be a growing sector globally.

Threats:

- International fluctuation in petroleum products may affects prices of raw materials
- No-biodegradable
- Competition from domestic players as well as international players.

- The reasons for low penetration in this market are several, such as scattered production structure, inadequate research and development (R&D), lack of skilled personnel. Another major contributing factor is that there is lack of awareness about the benefits of using technical textile and therefore leading to low consumption. So, India still has to make its presence felt in the world technical textiles market, which earns that a highly unexploited market is waiting to be explored.

RISKS AND CONCERNS:

While the demand for the polymers continues to be strong however the polymers are petrochemical products. The fluctuation in crude prices may increase the cost of polymer production.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS:

HUMAN RESOURCES / INDUSTRIAL RELATIONS Human Resources are one of the most important ingredients for growth. Training of employees to maintain high level of motivation is an ongoing process. Industrial relations at all the units remained cordial during the year. The Company recognizes human resources as its biggest strength which has resulted in getting acknowledgement that the Company is the right destination where with the growth of the organization, value addition of individual employees is assured. The total number of employees as on March 31, 2021 is 1699.

INTERNAL CONTROL:

The Company has an adequate internal control system for safeguarding the assets and financial transactions of the Company. The strong internal control systems have been designed in such a way that, not only it prevent fraud and misuse of the Company`s resources but also protect shareholders interest.

CAUTIONARY STATEMENT:

Certain statements in the Management Discussion and Analysis describing the Company`s objectives, projections, estimates, expectations or predictions may be “forward looking statements” within the meaning of applicable securities laws and regulations. Actual results could differ from those expressed or implied therein.

Form No. MR-3

Secretarial Audit Report

(For the financial year ended on March 31, 2021)

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
SHRI JAGDAMBA POLYMERS LIMITED
802, Narnarayan Complex, Nr. Navrangpura
Post Office, Navrangpura,
Ahmedabad - 380009.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **SHRI JAGDAMBA POLYMERS LIMITED** (CIN: L17239GJ1985PLC007829) (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period ended on March 31, 2021 (“Audit Period”), complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records (as per Annexure i) maintained by the Company for the period ended on March 31, 2021 according to the provisions of:

- I. The Companies Act, 2013 (**the Act**) and the Rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 (**‘SCRA’**) and the Rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment, and External Commercial Borrowings;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (**‘SEBI Act’**) to the extent applicable to the Company:
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Share based Employee Benefits) Regulations, 2014;
 - d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018.
 - i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards with regard to Meeting of Board of Directors ('SS-1') and General Meetings ('SS-2') issued by the Institute of Company Secretaries of India;
- (ii) The Listing Agreements entered into by the Company with BSE Limited.

However, it has been found that there were no instances requiring compliance with the provisions of the laws indicated at point (c), (d), (e), (g) and (h) of para (V) mentioned hereinabove during the period under review.

I further report that having regard to the Compliance System Prevailing in the Company and on examination of the relevant documents and records pursuant to them of the Company has generally comply with the provision of following laws:

- Local taxes as applicable in the state of Gujarat;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I Further Report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

I have relied on the representations made by the Company and its officers for systems and mechanisms formed by the Company for compliance under other laws and regulations applicable to the company.

Majority decisions were carried out unanimously and where it was not so, the dissenting members' views were captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations, and guidelines.

I further report that the compliance by the company of the direct and indirect tax laws has not been reviewed during this audit as the same has been subject to review by statutory financial auditor and other designated professionals.

I further report that during the audit period no events occurred which had bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines etc.

Independent Auditors' Report

To
The Members of
SHRI JAGDAMBA POLYMERS LIMITED
Ahmedabad.

Report on the Financial Statements

We have audited the accompanying IND AS Financial Statements of SHRI JAGDAMBA POLYMERS LIMITED (“the Company”), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), and the Statement of Changes in Equity and statement of Cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (“Ind AS”) prescribed under Section 133 of the act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021, and its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis Report, Board’s Report including Annexures to Board’s Report, and Shareholder’s Information, but does not include the financial statements and our auditor’s report thereon. The above mentioned reports are expected to be made available to us after the date of this auditor’s report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the above mentioned reports, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions as per the applicable laws and regulations.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other Comprehensive Income, cash flows and Changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Report on Other Legal and Regulatory Requirements:**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section(11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by section 143(3) of the Act, we further report that:

- (i) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- (ii) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (iii) The Balance Sheet, Statement of Profit and Loss including other comprehensive income, Cash Flow Statement and statement of changes in equity dealt with by this Report are in agreement with the books of account.
- (iv) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act, read with Companies (Indian Accounting Standard) Rules, 2015, as amended.
- (v) On the basis of written representations received from the directors as on March 31, 2021, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021, from being appointed as a director in terms of Section 164(2) of the Act.
- (vi) With respect to adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B",
- (vii) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
- (viii) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (ix) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 30 to the financial statements.
 - ii) The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure 'A' to the Independent Auditor's Report

Referred to in paragraph 1 under the heading "Report on Other Legal And Regulatory Requirements" of Our Independent Audit Report of even date on the Financial Statements of SHRI JAGDAMBA POLYMERS LIMITED for the year ended 31st March, 2021.

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we report that In respect of its Property, plant and Equipments:

- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipments.
- (b) As explained to us, the management during the year has physically verified the Property, plant and Equipments in a phased periodical manner, which in our opinion is reasonable, having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such physical verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties included in Property, plant and Equipments are held in the name of the Company.
 - (i) As explained to us, in our opinion, the management has physically verified inventories at reasonable intervals during the year and there was no material discrepancies noticed on such physical verification as compared to the book records. Stock lying with third parties at the year-end have been confirmed.
 - (ii) The Company has not granted any loans, secured or unsecured, to Companies, Firms or Limited Liability Partnership or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 and hence, paragraph 3(iii) of the Order is not applicable to the Company.
 - (iii) In our opinion and according to the information and explanations given to us, the Company has not given any loans, investments, guarantees and security in terms of section 185 and 186 of the Companies Act, 2013.
 - (iv) The Company has not accepted any deposits from the public covered under Section 73 to 76 of the Companies Act, 2013.
 - (v) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under sub-section (1) of section 148 of the Companies Act, 2013, in respect of products of the Company. Accordingly, paragraph 3(vi) of the Order is not applicable
 - (vi) According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods and Services Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Services Tax, Customs Duty, Cess and other material statutory dues in arrears as at 31 March, 2021 for a period of more than six months from the date they become payable.

(c) Details of dues of Income Tax, Sales Tax, Service Tax, Goods & Service Tax, Excise Duty and Value Added Tax which have not been deposited as at 31st March, 2021 on account of dispute are given below:

Name of the statute	Nature of dues	Amount (Rs. in Lakhs)	Period to which the amount related	Forum where the dispute is pending
The Central Excise Act, 1944	Service tax credit.	3.31	2013-2014	Before Asst. Commissioner Central Excise.
		5.11	2014-2015	
		1.04	2015-2016	
Central Goods and Central Excise	Excise Duty	11.59	2016-2017	Before Asst. Commissioner CGST.
Principle Commissioner of Custom	Advance Authorization License	635.35	2017-2018	Before Supreme Court of India
Principle Commissioner of Custom	Advance Authorization License	225.85	2018-2019	Before Supreme Court of India

- (vii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to financial institutions and banks as at the Balance Sheet date.
- (viii) According to information and the explanations given by the management, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments). Further, during the year the Company have availed term loan and the same had been utilized for the purpose they have been availed.
- (ix) During the course of our examination of the books and records of the Company carried out in accordance with the auditing standards generally accepted in India, we have neither come across any instance of fraud by the Company or by its officers or employees on it, has been noticed or reported during the course of our audit nor have we been informed of any such instance by the Management.
- (x) According to the information and explanation given to us and based on our examination of the records of the Company, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- (xi) In our opinion and according to information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xii) According to information and explanations given to us and based on our examination of the records of the Company, in our opinion, all the transactions entered with the related parties are in compliance with sections 177 and 188 of the Act and the details of such transactions have been disclosed in the Financial Statements as required by the applicable accounting standards.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures during the year and hence reporting under paragraph 3(xiv) of the order is not applicable.
- (xiv) According to information and explanations given to us and based on our examination of the records of the Company, the company has not entered into any non-cash transactions with directors or persons connected with directors. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xv) According to the information and explanations given to us and the records of the Company examined by us, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting requirement under clause 3(xvi) of the Order is not applicable.

Annexure - B to the Independent Auditors' Report

Referred to in paragraph 2(F) under the heading "Report on Other Legal And Regulatory Requirements" of Our Independent Audit Report of even date on the Financial Statements of SHRI JAGDAMBA POLYMERS LIMITED for the year ended 31st March, 2021.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shri Jagdamba Polymers Limited ("the Company") as of 31 March, 2021 in conjunction with our audit of the Ind As financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the

maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2021

COMPANY INFORMATION / OVERVIEW:

Shri Jagdamba Polymers Limited (“the Company”) is a public limited Company established in the year 1985 and is listed on BSE Limited. The registered office of the Company is situated at 802, Narnarayan Complex, Opp. Navrangpura Post Office, Navrangpura, Ahmedabad - 380009, Gujarat. The Company is engaged in the business of technical textile, geo textile and other allied products i.e. manufacturing of PP/ HDPE woven and non-woven fabrics and bags.

The financial statements were authorised for issue in accordance with a resolution of the directors on May 25, 2021.

1. SIGNIFICANT ACCOUNTING POLICES:

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Companies Act, 2013 (“the Act”) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard require a change in accounting policy hitherto in use. These Financial Statements are presented in Indian Rupees (₹), which is also the Company’s functional currency and all amounts disclosed in financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated

The Company follows the mercantile system of accounting and recognizes incomes and expenditures on accrual basis. The accounts are prepared on historical cost basis, as a going concern, and are consistent with accounting principles generally accepted in India.

All the assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle. Based on the nature of the products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities

• CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of sale/lease
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of sale/lease
- It is due to be settled within twelve months after the reporting period, or

- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.”

LEASES:

Ind AS 116 supersedes Ind AS 17 Leases and Appendix C to Ind AS 17 determining whether an Arrangement contains a Lease. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases.

Lessor accounting under Ind AS 116 is substantially unchanged from Ind AS 17. Lessors will continue to classify leases as either operating or finance leases using similar principles as in Ind AS 17. Therefore, Ind AS 116 did not have an impact for leases where the Company is the lessor.

The Company as a lessee

In the Comparative period, a lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company’s general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

The Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company’s net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.”

**ROUNDING OF AMOUNTS:**

All amounts disclosed in financial statements and notes have been rounded off to the nearest lakhs, unless otherwise stated.

USE OF ESTIMATES:

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed below. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

REVENUE RECOGNITION:

Revenue is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment. The Company is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks. However, Goods and Services tax (GST) are not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

Sale of Goods:

Revenue from sales is recognized when the substantial risks and rewards of ownership of goods are transferred to the buyer and the collection of the resulting receivables is reasonably expected. This usually occurs upon dispatch, after the price has been determined and collection of the receivable is reasonably certain. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Sale of Services:

The Company recognizes revenue when the significant terms of the arrangement are enforceable, services have been delivered and the collectability is reasonably assured.

OTHER INCOME:**Interest:**

For all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

PROPERTY, PLANT & EQUIPMENT:

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of

decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalized as the activities undertaken improves the economic benefits expected to arise from the asset.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

Advances paid towards the acquisition of Property, Plant & Equipment outstanding at each reporting date is classified as Capital advances under Other Non -Current Assets and assets which are not ready for intended use as on the date of Balance sheet are disclosed as “Capital Work in Progress.”

DEPRECIATION/ AMORTISATION:

Depreciation on Property, Plant & Equipment is charged on Straight Line Method. Depreciations are charged over the estimated useful lives of the assets as specified in Schedule II of the Companies Act, 2013. Depreciation in respect of additions to/and deletion from assets has been charged on pro-rata basis from/till the date they are put to commercial use.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at regular intervals and adjusted prospectively, if appropriate.

Depreciation on additions/deletions to Property plant and equipment during the year is provided for on a pro-rata basis with reference to the date of additions/deletions.

Depreciation on subsequent expenditure on Property plant and equipment arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life. Depreciation on refurbished/revamped Property plant and equipment which are capitalized separately is provide for over the reassessed useful life

IMPAIRMENT OF ASSESTS:

Property, Plant & Equipment are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of the asset's fair value less cost of disposal and value in use.

BORROWING COST:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets (assets which require substantial period of time to get ready for its intended use) are capitalized as part of the cost of that asset. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

INVENTORIES:

Inventories are valued at the lower of cost and net realizable value. Cost incurred in bringing each products to its present location and condition are accounted for as follows:-

Raw Materials:

Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis.

**Finished goods and Work In Progress:**

Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity. Cost is determined on first in, first out basis.

Traded Goods:

Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis.

Net realizable values is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Stores and spares which do not meet the definition of property, plant and equipment are accounted as inventories.

TAXATION:

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in Profit or Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

CASH AND CASH EQUIVALENTS:

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks (other than deposits pledged with government authorities and margin money deposits) with an original maturity of three months or less.

**CASH FLOW STATEMENT:**

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

PROVISION, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:**Provisions:**

Provisions are recognized when there is a present obligation as result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value.

Contingent Liabilities:

Contingent liabilities are not provided for in the books but are disclosed by way of notes in the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent Assets:

Contingent Assets are neither recognized nor disclosed in the financial statements.

EARNINGS PER SHARE (EPS):

The earnings considered in ascertaining the Company's earnings per share comprise the net profit after tax (and include post tax effect of any extraordinary items.) The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises of the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises of the weighted average shares considered for deriving basic earning per share, and also the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

RELATED PARTY TRANSACTIONS:

Related party transactions are transfer of resources or obligations between related parties, regardless of whether a price is charged. Parties are considered to be related, if one party has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial or operating decisions. Parties are considered to be related if they are subject to common control or common significant influence.

SEGMENT REPORTING:

Operating segments are reported in a manner consistent with the internal reporting provided by Chief Financial Officer and Director of the Company jointly and responsible for allocating resources, assess the financial performance of the Company and make strategic decisions.

The Company has identified one reportable segment "manufacturing of technical textile" based on information reviewed by them.

DIVIDEND:

Dividend declared is provided in books of account when the same is approved by shareholders.

**EMPLOYEE BENEFITS:****Short-term Obligations:**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Post Employee Obligations:

The Company operates the following post-employment schemes:

- defined benefit plan such as gratuity in which the fund contributions is made to a trust as well as Employee Group Gratuity Scheme.
- defined contribution plans such as provident fund.

Gratuity obligations:

The Company had an obligation towards gratuity - a defined benefit retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of an employment of an amount equivalent to 15 days salary payable for each completed years of service or part thereof in excess of six months. Vesting occurs upon completion of five years of service and is payable thereafter on occurrence of any of above events. The Company has obtained an insurance policy with Life Insurance Corporation of India (LIC) and makes an annual contribution to LIC for an amounts notified by LIC and also by Company Employee Group Gratuity Scheme.

The cost providing benefit under the defined benefit plan is determined using the projected unit credit method with actuarial valuation being carried out at each Balance Sheet date, which is recognized in each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to built up the final obligation.

Re-measurements, comprising of actuarial gain or losses, the effect of the asset ceiling, excluding amount included in the net interest on the net defined liability and the return of the plan assets (excluding amount included in the net interest on the net defined benefit liability) are recognized immediately in the Balance Sheet with corresponding debit or credit to retained earning through Other Comprehensive Income in the period in which they occur. Re-imburements are not reclassified to the Statement of Profit and Loss in subsequent period. Past service cost is recognized in the Statement of Profit and Loss in the period of plan amendment.

Net interest is calculated by applying the discount rate to the net defined benefit liability. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense

Defined contribution plans:

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid.

**Other long-term employee benefit obligations:**

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period. The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

FOREIGN CURRENCY TRANSACTIONS:**Initial Recognition:**

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Subsequent Recognition:

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined. All monetary assets and liabilities in foreign currency are reinstated at the end of accounting period. Exchange differences on reinstatement of all monetary items are recognised in the Statement of Profit and Loss.

FINANCIAL INSTRUMENTS:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

FINANCIAL ASSETS:**Initial recognition and measurement**

All financial assets are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial assets are initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement**➤ Classification:**

For the purpose of subsequent measurement, the Company classifies financial assets in following categories:

Financial assets at amortised cost:

Financial assets at amortized cost are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses, if any. Interest income and impairment are recognized in the Statement of Profit and Loss.

Financial assets at fair value through other comprehensive income (FVTOCI):

These assets are subsequently measured at fair value through other comprehensive income (OCI). Changes in fair values are recognized in OCI and on derecognition, cumulative gain or loss previously recognized in OCI is reclassified to the Statement of Profit and Loss. Interest income calculated using EIR and impairment loss, if any, are recognized in the Statement of Profit and Loss.

Financial assets at fair value through profit or loss (FVTPL):

These assets are subsequently measured at fair value. Net gains and losses, including any interest income, are recognized in the Statement of Profit and Loss.

Financial assets are not reclassified subsequent to their recognition except if and in the period the Company changes its business model for managing for financial assets.

➤ **De-recognition:**

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the

Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Any gain or loss on de-recognition is recognised in the Statement of Profit and Loss.

Impairment of financial assets:

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, lease receivable, trade receivable other contractual rights to receive cash or other financial assets. For trade receivable, the Company measures the loss allowance at an amount equal to life time expected credit losses. Further, for the measuring life time expected credit losses allowance for trade receivable the Company has used a practical expedient as permitted under Indian AS 109. This expected credit loss allowance is computed based on provisions, matrix which takes into account historical credit loss experience and adjusted for forward looking information.

FINANCIAL LIABILITIES:

Initial recognition and measurement:

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial liabilities are initially measured at amortized cost unless at initial recognition, they are classified as fair value through profit or loss. In case of trade payables they are initially recognize at fair value and subsequently, these liabilities are held at amortized cost, using the Effective interest method.

Classification and subsequent measurement:

Financial liabilities are classified as measured at amortised cost or FVTPL.

A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in the Statement of Profit and Loss.

Financial liabilities other than classified as FVTPL, are subsequently measured at amortized cost using the effective interest method. Interest expense is recognised in Statement of Profit and Loss. Any gain or loss on de-recognition is also recognised in the Statement of Profit and Loss.

De-recognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on subsequently different terms, or the terms of an existing liability are subsequently modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of the new liability. The difference in the respective carrying amount is recognize in the Statement of Profit & Loss.

Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

Other Financial Liabilities	579.78	320.25	579.78	320.25
Short Term Borrowings	1,528.27	950.86	1,528.27	950.86
Total Liabilities	4,985.14	4,514.08	4,985.14	4,514.08

The management assessed that fair value of cash and short-term deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- i) Long-term fixed-rate receivables/borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, individual creditworthiness of the customer and the risk characteristics of the financed project. Based on this evaluation, allowances are taken into account for the expected losses of these receivables.
- ii) Fair values of the Company's interest-bearing borrowings and loans are determined by using DCF method using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The own non-performance risk as at March 31, 2021 was assessed to be insignificant.
- iii) The fair values of the unquoted equity shares, if any have been estimated using a discounted cash flow model. The valuation requires management to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility, the probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for these unquoted equity investments.

33. Financial Risk Management

The Company's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and short-term deposits that derive directly from its operations.

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk, foreign currency risk and interest rate risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the Company is foreign exchange risk. The Company uses foreign currency borrowings to mitigate foreign exchange related risk exposures.

The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

- **Credit Risk:** Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counter parties, taking into account their financial position, past experience and other factors.
- **Trade and other receivables:** The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. In addition, receivable balances are monitored on an ongoing basis with the result that the Company's exposure to Bad debt is not significant. Also the Company does not enter into sales transaction with customers having credit loss history. There are no significant Credit risk with related parties of the Company. The Company's is exposed to Credit risk in the event of non-payment of customers. Credit risk concentration with respect to Trade Receivables is mitigated by the Company's large customer base. Adequate expected credit losses are recognised as per the assessment.

The history of Trade receivables shows an allowance for bad and doubtful debts of Rs Nil (Nil as at March 31, 2020). The Company has made allowance of Rs Nil (Nil as at March 31, 2020) against Trade receivable of Rs. 4086.60 Lakhs (Rs. 3352.95 Lakhs as at March 31, 2020).

- **Bank Deposits:** The Company maintains its cash and cash equivalents and bank deposits with reputed and highly rated bank. Hence, there is no significant credit risk on such deposits.
- **Investments:** The Company limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The company does not expect any losses from non- performance by these counter-parties, and does not have any significant concentration of exposures to specific industry sectors.
- **Liquidity risk:** Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk through credit limits with banks.

The Company's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

The working capital position of the Company is given below:

Particulars	(Rs. in Lakhs)	
	For the year ended March 31, 2021	For the year ended March 31, 2020
Cash and Cash equivalents	1,403.58	1,322.46
Total	1,403.58	1,322.46

The table below provides details regarding the contractual maturities of significant financial liabilities as at March 31, 2021 and March 31, 2020.

Particulars	As at	Less than 1 year	1-2 years	More than 2 years
Borrowings	March 31,2021	1,528.27	592.12	1,583.02
	March 31,2020	950.86	471.46	1,682.55
Trade Payables	March 31,2021	683.82	0.00	0.00
	March 31,2020	1,088.96	0.00	0.00
Other Financial Liabilities	March 31,2021	579.78	0.00	0.00
	March 31,2020	320.25	0.00	0.00

34. Foreign Currency risk:

The Company's exchange risk arises from its foreign operations, foreign currency revenues and expenses, (primarily in U.S. dollars and British pound sterling) and foreign currency borrowings (primarily in U.S. dollars). A significant portion of the Company's revenues and cost are in these foreign currencies, while balance portion of costs are in Indian rupees. As a result, if the value of the Indian rupee appreciates relative to these foreign currencies, the Company's revenues measured in rupees may decrease. The exchange rate between the Indian rupee and these foreign currencies has changed substantially in recent periods and may continue to fluctuate substantially in the future. The Company's management meets on a periodic basis to formulate the strategy for foreign currency risk management.

Consequently, the Company management believes that the borrowings in foreign currency and its assets in foreign currency shall mitigate the foreign currency risk mutually to some extent.

The following table presents foreign currency risk from non-derivative financial instruments as of March 31, 2021 and March 31, 2020;

Particulars	31-03-2021		31-03-2020	
	Foreign Currency	Rs in Lakhs	Foreign Currency	Rs in Lakhs
Assets				
Trade Receivables				
USD	5050791.30	3637.93	4009614.00	2862.18
GBP	55800.00	55.66	88998.00	82.04
Other Foreign Currency	0.00	0.00	0.00	0.00
Cash and cash equivalents				
USD	80254.52	58.52	2767.00	2.08
GBP	0.00	0.00	0.00	0.00
Other Foreign Currency	35.00	0.02	35.00	0.02
Liabilities				
Trade Payables				
USD	196800.00	141.70	341200.00	247.00
GBP	0.00	0.00	0.00	0.00
Other Foreign Currency	0.00	0.00	0.00	0.00
Borrowings				
USD	2109109.29	1528.27	1176470.00	868.86
GBP	0.00	0.00	0.00	0.00
Other Foreign Currency	0.00	0.00	0.00	0.00
Net Assets/(Liabilities)				
USD	2825136.53	2026.48	2494711.00	1748.40
GBP	55800.00	55.66	88998.00	82.04
Other Foreign Currency	35.00	0.02	35.00	0.02

- **Foreign currency sensitivity analysis:** The Company is mainly exposed to the currency USD on account of outstanding trade receivables and trade payables in USD.

The following table details the Company's sensitivity to a 2% increase and decrease in INR against the USD 2% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 2% change in foreign currency rates. A positive number below indicates an increase in profit or equity where the INR strengthens 2% against the relevant currency. For a 2% weakening of the INR against the relevant currency, there would be a comparable impact on the profit or equity, and the balances below would be negative.

Particulars	(Rs. in Lakhs)	
	For the year ended March 31, 2021	For the year ended March 31, 2020
Impact on Profit/(loss) for the year	40.53	34.97

For a 2% weakening of the INR against the relevant currency, there would be equivalent amount of impact on the profit as mentioned in the above table.

- **Interest rate risk:** Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates and investments.

- **Interest rate sensitivity analysis:** If interest rates had been 1% higher and all other variables were held constant, the company's profit for the year ended would have impacted in the following manner

Particulars	(Rs. in Lakhs)	
	For the year ended March 31, 2021	For the year ended March 31, 2020
Increase / (decrease) in the Profit for the year	2.25	0.91

If interest rates were 1% lower, the company's profit would have increased by the equivalent amount as shown in the above table.

35. Capital management:

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

The capital structure is as follows:

Particulars	(Rs. in Lakhs)	
	March 31, 2021	March 31, 2020
Total equity attributable to the equity shareholders of the company	13,278.07	9,220.01
As percentage of total capital	75.53%	72.91%
Current borrowings	2,108.05	1,271.11
Non-current borrowings	2,193.27	2,154.01
Total borrowings	4,301.32	3,425.12
As a percentage of total capital	24.47%	27.09%
Total capital (borrowings and equity)	17,579.39	12,645.13

The Company is predominantly debt financed which is evident from the capital structure table.
